## Segment of Tax Program Clears House

By EDMOND LABRETON  
Associated Press Writer  
WASHINGTON (AP) — The House has cleared a \$3 billion segment of President Johnson's tax program amid indications its key committee may be softening its opposition to the proposed income tax hike.

But a move already is under way in the Senate that could further endanger the administration's overall tax program. The House passed Thursday, without even calling the roll, legislation to continue beyond their April 1 drop-off dates the present excise taxes on automobiles and telephone service. The bill also provides for a speed-up in corporation income tax collections.

The proposed 10 per cent income tax surcharge remains bottled up in the House Ways and Means Committee. Chairman Wilbur D. Mills, D-Ark., said he is looking for more budget cutting before considering the tax increase.

But Mills conceded—for perhaps the first time since Johnson offered the tax boost plan last year—that certain circumstances could force Congress' hand on the tax hike.

Among these potential factors he included "substantial acceleration in war expenditures" and "substantial inflationary pressures."

Plans already are under way in the Senate to try to tie the income tax increase to the excise tax bill. It would be part of a package also including mandatory spending cuts up to \$7 billion and perhaps quotas on imported goods.

Unless Mills and his colleagues change their course, there is little likelihood the House would accept such additions—even if the Senate were to vote them.

## School Forms Out in Blevins Area

Grady Cathey, superintendent of Blevins Schools, announces that freedom of choice forms are being sent out in the district beginning March 1.

Parents are asked to designate the school they would like for their child to attend. The forms should be returned to the Blevins school by March 30, he said.

## Liberals Say Dirksen Endangered Rights Bill With Open Housing

WASHINGTON (AP) — Senate liberals have accused Republican Leader Everett M. Dirksen of endangering the civil rights bill by proposing a modified open-housing section after agreeing with them on broader legislation.

They also attacked Thursday an open-housing amendment put forward by Dirksen's son-in-law, Sen. Howard H. Baker, R-Tenn. But a Dirksen aide and Baker indicated it never was clear just what was to be in the new compromise open-housing proposal forged by Dirksen and the liberals.

"I regret that anyone has seen the necessity to file amendments that could jeopardize passage of this legislation," said Republican Edward W. Brooke of Massachusetts, the Senate's only Negro member.

Sen. Walter F. Mondale, D-Minn., said, "I think the bargain has been made and ought to be kept."

The civil rights bill, which has been before the Senate since Jan. 15, could face a first test vote today on Dirksen's debate-ending petition. However, Dirksen said it might be delayed until early next week at the request of Southern senators who want more time to study the bill.

If two-thirds of the senators voting okay the petition the amending process could begin.

Two previous debate-ending attempts have failed, with Dirksen joining those opposed to a debate cutoff. But the bill's manager, Sen. Philip A. Hart, D-Mich., expressed confidence it would succeed this time.

Dirksen, who had hammered

## Many Schools Closed by Strikes

By THE ASSOCIATED PRESS  
Strikes by militant teachers' unions disrupted classes and forced school closings today which affected thousands of pupils in three states.

The midwinter discontent recalled the wave of similar strikes which swept a score of the nation's school systems last fall forcing almost a million pupils to stay at home.

Latest city to be hit was San Francisco where the 1,400-member American Federation of Teachers, AFL-CIO, voted Thursday to strike the public school system to back its demands for improvements.

Pittsburgh school officials ordered high schools closed today in the face of the crippling teachers' strike which began Thursday but said they would try to keep elementary schools operating.

Florida teacher representatives and the state's top education official agreed Thursday on a compromise proposal to end the nine-day strike by a third of the state's 60,000 teachers. One county board rejected the plan, placing its success in jeopardy. San Francisco school administrators pledged every effort to keep the schools open in the face of a walkout by the union whose membership comprises roughly one-third of the city's 4,000 teachers.

The rival San Francisco Classroom Teachers Association has about 2,600 members, most of them elementary school teachers. Association President Victor B. Graff said, "The vast majority of San Francisco teachers will honor their con-

terstate 30 would have a tremendous effect on the growth rate of Hope, and that, as a result of the new highway, a significant increase in commercial and industrial development could be expected to occur north of the City.

It is the responsibility of the City to see that new development occurs in a manner that will be beneficial rather than detrimental to the people of Hope.

For this reason, a zoning ordinance has been adopted, subdivision development is controlled, and a long range development plan for streets, public facilities, and land use is being followed. Availability of professional assistance will enable the Commission to perform its functions more efficiently.

As property is developed or rezoned, owners must present their plans to the Planning Commission for recommendations and approval. At that time plans of the City are compared with those of individuals, and adjustments are made in each as appropriate in terms of the public interest. To be included on the agenda, persons must file requests or plans with the City Manager on or before the second Tuesday of each month.

The Planning Commission is comprised of ten citizens of the City of Hope and holds meetings on the third Tuesday of each month. Tom Hodges of Donald S. Manas and Associates, Inc. meets with the Commission, provides recommendations on zoning requests and development plans, and is responsible for coordinating plans of the City with activities of State and Federal agencies working in the Hope area.

The following is a list of Commission members: Arch Wylie, William R. Rounton, W. D. Flowers, Jr., James McLarty, Wallis Monroe, Hubert White, E. P. Young, Jr., Robert Dennis, Ben McRae, and Paul McClellan.

## Talent Show at School Tonight

Tonight at 7:30 in the Hope High School auditorium, the youth of Hope will try to win over adult financial support for a new recreation center by showing off their talents in a production called "Up, Up, and Away."

Sharon Evans, Miss Arkansas and a former Hope resident, will share her talent and experiences as a feature of the show.

In the introduction, Peggy Rowe and Jimmy Turner represent the youth trying to show adults, portrayed by Crit Stuart and Charles Ward, how much a new center is needed and wanted.

Talent on the program is varied. The youngest citizens are represented by Cindy Okano a pianist, Junior High School's Combo, The Sanction, will play two selections. The group includes Michael Brown, Gary Barham, Steven Skinner, Mike Huckabee and Wade Harris, manager.

The Future Farmer's Womanless Wedding should be good for a good many laughs as Mille Tolleson, the preacher, conducts the ceremony in which Carroll Beck weds Dennis Langston.

Jan Herring is becoming "famous" with her "Tiptoe Through the Tulips" routine. Adults will have a chance to learn of "Horton's Egg" by a group from the speech class.

Another skit is Changing Styles presented by the Future Homemakers with Candy Harris as narrator.

Jeanne Pruden, Lamar Cox, Donna Byers and Twila Hunt are each doing readings, some humorous, some serious. Donna Cole and Rachel Batson will display their dance talents as will the cheerleaders.

Vocalists include Donna Connelly, Donna Carter, Mary Ellen Holder, Ellen Turner, Debbie Watson, Gayna Clark, and Peggy King. The HHS Stage Band will add to the music for the night.

The Robcat staff will sing "Kids" and the Hi-Lights staff will contribute commercials throughout the show.

The entire cast will join in the singing of the theme song, "Up, Up, and Away," assisted by Alan Phillips and Buzz Andrews, guitarist.

## Whites Get Blamed for Race Riots

By AUSTIN SCOTT  
Associated Press Writer

NEW YORK (AP) — To many whites who do not think of themselves as unjust, one of the hardest parts of the President's riot commission report to accept will be the stress on "white racism" as a major cause of America's racial turmoil.

Yet this indictment has been handed down by such respected leaders as the NAACP's Roy Wilkins, Massachusetts Republican Edward Brooke, the only Negro U.S. Senator, and Illinois Gov. Otto Kerner.

It has been endorsed in the first wave of decidedly favorable reaction ranging from Black Power Chairman Floyd McKissick of the Congress of Racial Equality to John A. McDermott, white director of Chicago's Catholic Interracial Council.

"White racism" is an ugly term, calling up visions of club-wielding lynch mobs and "white only" signs in restaurants. But as Negroes from all social classes often see it, it is cloaked in social customs that appear to

## Governors Told to Push Rockefeller

By JACK BELL  
AP Political Writer

WASHINGTON (AP) — Two Republican governors have advised their colleagues they better start pushing a draft-Rockefeller bandwagon now or it may never get rolling.

Govs. Siro T. Agnew of Maryland and Tom McCall of Oregon, who long have urged Gov. Nelson A. Rockefeller to enter the GOP presidential race, expressed certainty Thursday the New Yorker will not lend himself to any last-ditch attempt by party moderates to stop former Vice President Richard M. Nixon.

Agnew and McCall made clear they are interpreting Rockefeller's position as demanding substantial support from party moderates—including most of the 26 GOP governors—before he'll consider running.

The advice by the two Rockefeller backers was indirectly echoed by Nixon, left virtually alone in the GOP race by the abrupt withdrawal of Michigan Gov. George Romney.

Nixon said in New Hampshire that Rockefeller will have to enter some state presidential primaries if he wants the nomination.

"No one is going to be drafted for this nomination," said Nixon. "No one is going to back into it."

Whether the 21 GOP state executives attending the National Governors Conference in Washington would find time to caucus among themselves remained

## State Police Investigate Two Wrecks

This morning on Highway 67 east cars driven by Elmer Gentry of Hempstead and Johnny McGuirt of Hooks, Texas collided. A woman riding in the Texas car listed as Jewell Morrison was shaken up but not seriously hurt.

According to State Policeman Wallace Martin Gentry made a left turn into the path of the Texas car. He was charged with failure to yield the right-of-way.

Yesterday, north of Highway 29, a car driven by Billy Wayne Smith and a truck driven by a construction worker collided. Trooper Martin said Smith was passing and the truck turned left. The construction worker was treated for minor injuries and released from a local hospital. The investigation is not complete, Mr. Martin said.

## Riot Report Declares Nation Moving Toward Separate Societies

By GAYLORD SHAW  
Associated Press Writer

WASHINGTON (AP) — A presidential commission demands compassionate, massive and sustained efforts—perhaps costing more money than the Vietnam war—to end the destruction and bitterness wrought by racial disorder in America's cities.

"Our nation is moving toward two societies, one black, one white—separate and unequal," declared the President's Commission on Civil Disorders. It condemned white racism as a central cause and warned:

"If we are heedless none of us shall escape the consequences." Unless immediate action is taken, the commission said, "large-scale and continuing violence could result, followed by white retaliation, and, ultimately, the separation of the two communities into a garrison state."

It reeled off scores of recommendations, including vastly expanded programs to provide 2 million jobs, 6 million housing units, drastically improved slum schools and overhaul of the welfare system designed to guarantee all Americans "a minimum standard of decent living."

The commission didn't estimate the cost of its proposals, saying only they "will require unprecedented levels of funding and performance." It seemed obvious, though, that the price tag could exceed even the \$25 billion annual outlay for the Vietnam war.

New taxes must be imposed if necessary, the panel told President Johnson, but "there can be no higher priority for national action and no higher claim on the nation's conscience."

The White House had no immediate reaction to the report. Comment in Congress was sparse—probably because the document was released two days earlier than planned and most congressmen hadn't received a copy.

But even before its release, one major question was being raised. "Where," asked Rep. George H. Mahon, D-Tex., "are we going to get the money?" He heads the House Appropriations Committee.

So sweeping was the commission's bundle of recommendations that even its members conceded chances of Congress approving all of them were nil.

The 11-member group issued a 12,000-word summary report Thursday night—four months ahead of the deadline set by Johnson—after learning a newspaper had obtained a copy and was planning to publish it. The rest of the report—250,000 words—will be released Saturday night, the original date.

But militant organizations and individual agitators, it added, "helped to create an atmosphere that contributed to the outbreak of disorder." And it warned "that the continuation of disorders and the polarization of the races would provide fertile ground for organized exploitation in the future."

RIOT REPORT

White racism, blamed for trouble in the cities by the commission report, has an ugly sound. But to many Negroes of all classes it is a common experience.

Listed Killed

In Vietnam

WASHINGTON (AP) — Air Force Sgt. Thomas G. Hazelwood, son of Mr. and Mrs. Thomas V. Hazelwood of Magnolia, was one of 57 servicemen listed by the Defense Department Thursday as killed in action in Vietnam.

Allied casualties in all the attacks were "very light," U.S. officers said.

Bloodmobile Collects 149 Pints

The Red Cross Blood Mobile was in Hope this week and had a fairly successful day. The mobile unit was set up at Standard Generator Plant from 8:00 to 12:00 noon and a total of 37 pints of blood were given.

Then the unit was moved to Bruner Ivory Handle Company from 1:00 to 5:00 p.m. and a total of 20 pints of blood were given. This makes a total of 149 pints given so far for Hempstead County for this fiscal year. The total quota for the year is 538.

The Red Cross has introduced a new method of giving blood whereby a plant or company or group can sign a contract and pledge that 25 per cent of its employees will contribute a pint of blood within a one year period and this will entitle every employee of the plant and their immediate family to blood coverage without any charge except for a processing fee of \$9.00 for each unit of blood used, plus any charges for administration by the hospital, any place in the United States or Canada where the hospital will accept Red Cross blood credits. This is a very good plan and eight industries in Hope have signed up for the program.

Hope Wire Products exceeded their quota by three while the Blood Mobile was in Hope Tuesday. This is a fine start and it is hoped that other businesses and industries will be signed for the plan.

## 500 Enemy Troops Are Beaten Off

By PETER ARNETT  
Associated Press Writer

KHE SANH, Vietnam (AP) — More than 500 North Vietnamese soldiers attacked the Khe Sanh Combat base through the fog before dawn today. They got to the barbed wire ring around the base before they were driven back with at least 70 of their men killed.

The Red infantrymen charged behind three sapper platoons in the attack on the base's eastern perimeter, which is held by a battalion of 500 crack South Vietnamese Rangers.

A flight of the U.S. Air Force's huge B52 bombers, flying in direct support of ground troops for the first time in the war, dropped tons of explosives only 750 yards in front of the Rangers' lines.

The besieged U.S. Marine base in the northwest corner of South Vietnam was on a Red alert—meaning an attack was believed imminent—when the enemy soldiers came lunging through the darkness and mist.

Some of the Communist sappers succeeded in placing Bangalore torpedoes under the coils of barbed wire that circle the two-square-mile base, but they were killed before they could trigger the charges.

This afternoon a twin-engine cargo plane crashed and burned as it was attempting to take off from Khe Sanh. The crew and passengers escaped, but some were injured. As firemen rushed out to extinguish the flames, Communist gunners bracketed the wreckage with two mortar rounds, wounding several of the firefighters.

The early morning attack was the heaviest ground assault launched so far against the 5,000 U.S. Marines and 500 Rangers holding the Khe Sanh base. An estimated 40,000 Communist troops are believed massed across the northern frontier for an invasion of South Vietnam's two northernmost provinces, with the Khe Sanh base their first objective.

Lt. Col. David Lownds of Plantation, Fla., the base commander, said that when the attack came on the heels of a heavy mortar, rocket and artillery bombardment, he thought "this might be the big attack, but it was just another probe."

He said Communist troops also made several other small attacks along the line held by Marines in the northeast and southern sections of the base.

Allied casualties in all the attacks were "very light," U.S. officers said.

## University Students in Rome Riot

By JAMES M. LONG  
ROME (AP) — Central Rome was paralyzed today by rioting university students who clashed with thousands of helmeted police swinging clubs and firing tear gas.

Hundreds of persons were injured, including at least 60 police. More than 100 rioters were taken into custody.

Downtown bus and taxi service halted. Shopkeepers shuttered their stores. Passers-by and lower grade school children fled to shelter in terror as the disorders spread.

Students screaming, "Revolution! Revolution!" bombarded police with paving stones ripped up from the streets. They overturned and set fire to police cars and buses. Ambulances with sirens screaming raced through the streets.

It was the most violent clash in the city since students began occupying university buildings three weeks ago in a campaign for more say in school administration and more modern teaching methods.

Sens. J. William Fulbright and John L. McClellan, both Arkansas Democrats, recommended Cheney for the job, which pays about \$16,000 a year.

Cheney will be responsible for FHA mortgage and loan insurance operations in Arkansas and Bowie County, Tex.

hide it from many white eyes. The simple act of moving to what a family may consider a better home is enough to kindle resentment.

"One of the very obvious signs of the split is that the whites are leaving town," said Detroit councilman Nicholas Hood, the only Negro on the city's governing body.

"The groups working to end segregation are trying to solve the problem, but check their membership... you'll find them in the suburbs, where they have moved in getting out of the city."

"They can give any kind of excuse they want, but it's still separate, and they've separated themselves from us, not we from them."

One commission member privately agreed with defining racism as the "usual American habit of resolving disputes in favor of whatever whites are involved."

The more obvious aspects of racism—many rigidly segregated schools 14 years after the Supreme Court's school desegregation decision, reluctance to hire and promote Negroes, police harassment—and other, more brutal forms common until a decade ago, have combined to make race a subject many whites seldom think of, but most Negroes are almost always conscious of.

A Negro professional man, reasonably successful in his field, outwardly respected by his white colleagues, recently slammed his fist on a table in anger while in the company of a dozen Negro friends.

"I don't trust white people," he said. "I just don't trust 'em. We all work for racism, and we know it."

His employer would have been astonished at the outburst, but his friends also professionals, nodded in sympathy and agreement. Just before his remark, the group had been discussing how they felt whites attack Negroes without realizing how their actions are viewed.

Another member recalled how a white friend of his, a man who prided himself on not being prejudiced, refused to protest when his landlord would not rent to Negroes.

"I'm not prejudiced, but what he does is none of my business," the friend said.

The incident was later told to Roy Wilkins, who commented: "The mere fact that he's indifferent to it illustrates one phase of the racism that we're talking about. He doesn't realize that if most of the people in the building complained, the landlord might change his policies."

**CAPE GIRARDEAU, Mo. (AP)** — The Southeast Missourian in Cape Girardeau published the names of 48 eligible bachelors Thursday and told the single women of the area that now it is up to them "to run them down by whatever means, fair or foul."

Emily Hughes, women's editor of the afternoon newspaper, compiled the list as "a community service." It includes the single man's name, address, occupation and age. The ages ranged from 20 to 39.

Managing Editor John Blue said the newspaper published a similar list on Feb. 29, 1964. He said a few weeks ago the paper checked on the 1964 bachelors and found that "half had left town, six had married and six remained bachelors."

**SALINA, Kan. (AP)** — The birth date listed on his driver's license has upset George F. Chlebak, an art instructor at Kansas Wesleyan College.

Chlebak was born Feb. 29, 1936. Thursday he wrote Gov. Robert Docking objecting to the Motor Vehicle Department using March 1.

A Kansas statute provides, with reference to drivers' licenses, that "if any person's birthday is Feb. 29 the first day of March shall be regarded as his birthday."

Chlebak wrote docking: "I maintain any listing of my birthdate other than Feb. 29, 1936 is invalid and insulting."

He was told earlier by the department that Feb. 29 would confuse the computers.

**YOUTH TAKES STAND IN HIS MURDER TRIAL**  
**EL DORADO, Ark. (AP)** — Allen Smith, 17, of El Dorado took the stand Thursday in his own defense as testimony in his first-degree murder trial concluded.

Smith and Eric Armour, 18, of El Dorado, are charged with the shotgun slaying of Larry Wainwright, 19, an El Dorado Negro who was shot and killed about midnight Sept. 30, 1967. Armour is to be tried separately. He and Smith are white.

Attorneys were to present their closing arguments today.

Gerald Carney, 19, of El Dorado, a prosecution witness, testified that Smith told him on the night of the shooting that he and another teen-ager had shot and killed a Negro. Carney said Smith told the same story a week later.

Carney, however, said on cross-examination that he had been drinking excessively on both occasions and that he "supposed" Smith told him about the slaying. Carney said he didn't lie although he did admit that he sometimes exaggerates.

Smith said he had not told Carney he had shot a Negro. Smith admitted having "four or five" beers the night of the shooting and said he had told several other teen-agers that he intended to throw a Negro off the Ouachita River bridge. He dismissed the stories as "beer talk."

Three witnesses said Smith had been in an El Dorado cafe about midnight but said they couldn't remember the exact time.

Defense attorneys said Smith had no reason to kill Wainwright and that he did not know the shooting victim. Prosecutor Jack Graves said in his opening argument that Smith, son of Mr. and Mrs. Hershel Smith of El Dorado, was "obsessed" with the idea of slaying a Negro.

**MURTON SAYS GOVERNOR FOR REFORMS**  
**LITTLE ROCK (AP)** — Prison Supt. Thomas O. Murton says he has never said anything "against" Gov. Winthrop Rockefeller and has taken a "positive approach" to the state's prison problems.

Murton said earlier this week at Berkeley, Calif., that slavery was not abolished in 1865—it only moved into the prisons. Rockefeller said he planned to reprimand Murton for the statement.

"Yes, I said that, and I said it before and I will probably say it again," Murton said in a telephone interview with the Arkansas Democrats, from Oakland Calif. "Every time I have opened my mouth I have said I sincerely believe Rockefeller is for reform and these are the things we are doing. I understand from the prison he keeps saying I am bad mouthing him."

Murton has been at Berkeley attending a federal conference on job training for convicts. He said the news conference at which he made the statement about the prisons was called by the University of California and he thought it was part of the federal conference.

questionable. McCall said he hoped to circulate a round-robin to the governors by mail and get 15 or 16 of them to sign, urging Rockefeller to make himself available as a candidate before the March 19 close of filing in Oregon's May 28 primary.

If that can be accomplished and accompanied by a petition signed by about 30,000 Oregon citizens, McCall predicted Rockefeller would change his mind.

The Oregon governor forecast an almost dead heat between Nixon and Rockefeller if both were on the Oregon ballot. He indicated he doesn't think a write-in for the New York governor, now being organized, could top Nixon's total if the latter were the only major contender formally on the ballot.

Agnew indicated he also may circulate a round-robin. He said he thinks this must be done within 30 days if it is to be effective.

GOP Gov. John A. Volpe of Massachusetts, chairman of the National Governors Conference, told a news conference he doesn't believe there will be unanimity at this time among the Republican state executives on a candidate. Volpe, said he expects to lead the Massachusetts delegate to the convention as an uncommitted favorite son.

**SAYS SCHOOL BOND BALLOT MISLEADING**  
**LITTLE ROCK (AP)** — The chairman of the Pulaski County Election Commission has described the ballot for the Little Rock School District's March 12 election on a \$5,176,000 bond issue as "disgusting and misleading."

Carl McDaniel said the ballot title was misleading because it didn't say expressly that the money would be used to carry out the desegregation plan of School Supt. Floyd W. Parsons.

The ballot says the money will be used for constructing and equipping new school buildings and making additions and improvements to existing facilities.

The plan would phase out all Negro Horace Mann High School, establish attendance zones for Central, Hall and Parkview High Schools and provide transportation for students living more than two miles from the school.

Meanwhile, it was revealed that an influential group headed by W. R. "Witt" Stephens, president and board chairman of the Arkansas Louisiana Gas Co., is rounding up support for the bond issue and would finance a battery of special telephone operators to answer questions

## Marquette Gains NCAA Cage Post

By TED MEIER  
Associated Press Sports Writer  
George Thompson of Marquette is one of the most underrated college basketball players in the country in the opinion of his coach, Al McGuire.

"It's a joke that he doesn't get more recognition," McGuire said after his NCAA-tourney bound Warriors whipped Creighton 75-57 at Milwaukee Thursday night.

The 6-foot-2 junior from Brooklyn, N.Y., "who plays 6-8" in McGuire's words, demonstrated it by scoring 20 points to set a single season Marquette record of 581 points. The old mark of 578 was set by Don Kojis in 1961.

Creighton concentrated its defense on Thompson, one of the prime reasons Marquette gained an NCAA berth with a 21-4 record and the No. 8 spot in The Associated Press rankings.

Thompson got only one field goal in the first half, but broke loose after intermission. Bob Pertman of Creighton, the nation's fourth highest scorer, managed only 16 points, 14 below his average.

Marquette was the only team in the AP Top Ten to play. Two other tournament teams, Florida State in the NCAA and Fordham in the NIT, each won.

Florida State downed Stetson 72-60 and Fordham whipped NYU 79-73 in the feature of a New York Madison Square Garden twinbill after Manhattan routed Connecticut 83-69.

Top-seeded Davidson walloped William & Mary 107-88 in the opener of the Southern Conference championship tourney at Charlotte. In the other first round games West Virginia defeated East Carolina 78-71, Furman beat Virginia Military 65-52 and Richmond went overtime to down The Citadel 100-88.

In the semifinals tonight West Virginia plays Richmond and Davidson takes on Furman.

Charley Powell, playing at home, set a New Orleans Loyola record of 45 points for a single game as Loyola edged Jacksonville 97-95. Ernie Stover's layup in the last five seconds won the game.

PORTLAND, Maine — Pete Ricefelli, 172, Portland, knocked out Doyle Shivers, Jacksonville, Fla., 165, 2.

BARCELONA, Spain — Antonio Torres, 145½, Spain, outpointed Ogianna Zanirato, 147½, Italy, 6.

LIVERPOOL, England — Roberto Davila, 198½, Peru, stopped Brian London, 197½, England, 6.

## Knicks Are Now 1-6 With Hawks

By THE ASSOCIATED PRESS  
The Boston Celtics? A snap for the New York Knicks. The Philadelphia 76ers? A breeze. But all those St. Louis Hawks.

The Knicks are now 1-6 against the Hawks after Thursday night's 105-102 overtime defeat by St. Louis in a National Basketball Association game at Miami.

New York has won two games each against the Celtics and the 76ers and has two games left against each. Last year, the Knicks could beat Philadelphia only once and Boston not at all.

St. Louis has presented a problem for New York all year. Most of the games have been close, but somehow the Hawks are usually on top when the gun sounds.

A basket by Dick Barnett with 13 seconds left in regulation time tied the game for New York Thursday night, but Joe Caldwell's basket in the first five seconds of the overtime period put the Hawks ahead for good.

In other NBA games Los Angeles beat Chicago at Evansville, Ind., 117-107 and Cincinnati overcame San Diego 120-114 on the West Coast.

In the American Basketball Association, Houston edged Dallas 101-100, Pittsburgh topped

## Columbia Wins But Ellis Loses

LITTLE ROCK (AP)—Greenbrier made the semifinals of the Class B State Tournament Thursday night by the slimmest of the margins. The Panthers' Dwayne Branham dropped in a layup in the final second as Greenbrier edged past Stamps Ellis 58-57.

Greenbrier faces Pyatt tonight at 8:30 in the second Class B semifinal game. Turrell and Cotter play at 1:30 in the other B semifinal.

Green Forest and Magnolia meet in the first Class A semifinal at 3. Mena and McGehee go for the second spot in the finals at 7 p.m.

Pyatt routed Prairie Grove 89-40 after leading 46-18 at the half. Unbeaten Turrell overcame a four-point halftime deficit to defeat Kirby 57-47.

Magnolia Columbia trailed by two points entering the final period but defeated Lavaca 72-62. McGehee had little trouble disposing of Mulberry 58-40 and Mena coasted to a 63-52 victory over Marion Phelix in the two Class A Thursday night games.

Winthrop Madison put Stamps Ellis ahead 57-56 on a jump shot with seven seconds left but Greenbrier got the ball to Branham who scored. Greenbrier led by 12 points at the half but it was 44-44 entering the final period. Russ Benton led the winners with 19. Bobby Malone scored 18 for Stamps Ellis.

Pyatt led Prairie Grove 89-40 at the half. Joel Tabor scored 27 points and Glen Akins added 23 for the Pirates. Mike Phillips had 14 for Prairie Grove.

Turrell trailed 28-24 at the half but took the lead for good when Ed Horton hit a jump shot to make it 37-35.

Jessie Rose and Alfred Flanagan scored 28 points each in Columbia's victory. Johnny Hobbs had 21 for Lavaca.

Mike Jones paced McGehee with 20. Woody Henderson scored 15 for Mulberry. Kenneth Gilliam led Mena with 27 points. Willie Daniels countered with 25 for Marion Phelix.

## Cast Complete for Boston Red Sox

By HERSCHEL NISSENSEN  
Associated Press Sports Writer  
The cast is complete for the Boston Red Sox. Unfortunately, it's wrapped around Jim Lonborg's valuable left knee.

Lonborg, the tall right-hander who won 22 games and a Cy Young Award in Boston's dramatic surge to the 1967 American League pennant, was a surprise visitor Thursday at the Red Sox' first full-squad drill.

"I just want to be on the scene with the rest of the guys," said Lonborg, who injured his knee while skiing just before Christmas and underwent surgery.

He said he plans to return to Boston to have the cast removed next Tuesday and then drive back to Winter Haven, Fla., to begin getting the knee back in shape. He is not expected to pitch until mid-May.

Rain disrupted workouts for most of the Florida-based teams. But not before Minnesota Twins' Manager Cal Ermer and infielder Sandy Alomar of the Chicago White Sox were forced to the sidelines.

Ermer tore a leg muscle while reaching for a thrown ball while Alomar was struck in the face by a ball and suffered a minor nosebleed.

The holdout ranks were thinned somewhat when pitcher Jim Merritt, who had a 13-7 record, signed with the Twins and shortstop Ruben Amaro became the last of the New York Yankees to come to terms. Both received an estimated \$24,000.

However, outfielder Tony Oliva of the Twins, third baseman Cleto Boyer of the Atlanta Braves, eight Cincinnati Reds and three key Houston Astros still were unsigned.

## Hayes Leads Cage All Star Team

By TED MEIER  
Associated Press Basketball Editor

NEW YORK (AP)—Elvin Hayes, the Big E of the top-ranked University of Houston cougars dominated the 1968 college basketball All-American announced today by The Associated Press.

Low Alcindor of UCLA, Wesley Unseld of Louisville, Pete Maravich of Louisiana State and Larry Miller of North Carolina rounded out the first team picked by the votes of 322 sports writers and broadcasters.

The 6-foot-8 Hayes, the 7-1½ Alcindor and the 6-8 Unseld are repeaters from the 1967 A.A. Maravich, a 6-5 sophomore, is the nation's leading collegiate scorer. Miller, a 6-3 senior, led North Carolina to 20 straight victories. Hayes and Unseld also are seniors while Alcindor is a junior.

Calvin Murphy, a 5-10 soph of Niagara, headed the second team which included Neal Walk of Florida, Bob Lanier Jr. of Bonaventure, Lucius Allen of

UCLA and Don May of Dayton. Mike Warren of UCLA, Rick Mount of Purdue, Jo Jo White of Kansas, Mike Lewis of Duke and Sam Williams of Iowa were selected as a third team.

Members of each of these teams will receive certificates from The Associated Press.

Bill Hosket of Ohio State, Don Smith of Iowa State, Jim McMillan of Columbia, Joe Allen of Bradley, Mike Casey of Kentucky, Ron Williams of West Virginia, Ron Nelson of New Mexico, Rich Travis of Oklahoma City and Marv Jackson of Utah were foremost of the honorable mentions.

Hayes, who scored 39 points as Houston snapped UCLA's 47-game winning streak in January and on Feb. 24 got 62 against Valparaiso as Houston set a single game record of 158 points, almost had a perfect score in the balloting.

The Big E, the second highest career scorer in college records, was picked on the first team by 320 voters. The other two put him on the second team. He missed a perfect total of 1,610 points by only six with his 1,604 aggregate. Five points were given for a first team nod, two points for a second team vote.

The towering Alcindor, who led in the voting a year ago, polled 311 firsts and 10 seconds for 1,575 points. Marvich,

GENEVA (AP)—Peggy Fleming, having all but won her third straight World Figure Skating Championship, completes the compulsory figures today and then Tim Wood faces an uphill struggle for the men's

known as Pistoi Pete and the first soph to crack the 1,000-point scoring barrier in a single season, finished a surprise third in the voting.

The son of the LSU coach, Press Maravich, Pete polled 195 firsts and 75 seconds for 1,125. Unseld, who led Louisville to a second straight Missouri Valley conference championship, had 876 points on 130 firsts and 113 seconds. Miller had 681 on 105 firsts and 78 seconds.

Murphy, with 88 firsts and 114 seconds, polled 668 points, missing the first team by only 13 points. Thereafter the totals fell off. Walk had 452, Lanier 409, Allen 374, May 359, Warren 291, Mount 289, White 231, Lewis 218, Williams 123. Hosket had 112 and Smith 102, the best of the honorable mentions.

It was their third straight title. Judy Schwomeyer and James Sladky of Indianapolis, Ind., held off a Russian challenge to take fourth place.

"I'm not too happy," said Sladky.

Albertina Noyes of Boston is fifth with 614.9 and Janet Lynn of Rockford, Ill., is 13th with 581.5 points.

The free-skating part of the men's competition takes place tonight. Emmerich Danzer of Austria, the defending champion, has a slight lead over Wood of Bloomfield Hills, Mich., but is figured hard to beat in the free skating.

### Olympic Officials to Meet

CHICAGO (AP) — Mexican Olympic officials continued talks with Avery Brundage Friday, hopeful they may lead to reconsideration by the International Olympic Committee of the South African question.

Concern over boycott of the summer Olympic Games in Mexico City brought a three-man delegation to Brundage, IOC president, Thursday night. They were Ramiriz Vazquez, president of the Mexican Olympic Organizing Committee; and two IOC delegates, Jose de Jesus Clark Flores and Marte R. Gomez.

Brundage and the Mexicans would not comment when preliminary discussions opened Thursday night.

Prior to leaving Mexico City, Gomez said that "we are joining the movement that now exists throughout the world in favor of the IOC meeting again to reconsider the decision that is causing so much damage to the Olympics."

The IOC voted in February to readmit South Africa to the 1968

There aren't sufficient words to express to our host of friends and relatives, our appreciation for the many deeds of kindness, help, consolation, and sympathy extended to us in the loss of my husband and our father. To all those who helped in any way we extend our sincere thanks. May God bless you all.

### Sex Tests in Olympics a Necessity

By JOHN FARROW  
LONDON (AP) — Eva Klobukoska, the Polish sprint star, was in tears.

The 21-year-old Polish blonde had just been told that her world record had been taken away because she failed a sex test in Kiev, Russia, in the European Championships.

Eva was bitter.

Many other girls could have been bitter at the end of the 1968 Winter Olympics, where sex tests on girls were mandatory for the first time in Olympic history.

As it turned out, 50 out of 240 girls were tested. All passed. Everything was conducted carefully and even secretly.

Nobody left Grenoble, France, too upset—not like Eva after her name was blasted over the

## Stranded on a Bridge 5 Days

LUSAKA, Zambia (AP) —  
Four Africans have been stranded  
on a bridge over the Zambezi  
River for five days after being  
deported by Zambia and refused  
entry to Rhodesia.  
One reason for the deportation  
was that they did not have iden-  
tity papers, which is the same  
reason Rhodesia refuses them  
entry.

"Novel Factory"  
Alexandre Dumas has been  
accused of setting up a "novel  
factory." About 300 novels  
were written under Dumas'  
name. He only sketched the  
plots or revised many of  
them, however, and they were  
written by young assistants he  
hired.

## A CONTRACT

**A** contract is a promise... a compact... an agreement between two or more persons. It simply binds the contracting parties to abide by the conditions set forth therein. It could be a marriage contract, or a business contract. *It may be a contract with your church and your God.* A contract is a serious piece of business. Do you fulfill the terms of the contracts you make? You promised to be true to your life partner until death. You signed to discharge your financial obligations on a certain date. You contracted to be a faithful member of your church... to attend regularly and support its work. Are you doing that? Do you honor your contract... your word? *The integrity of your own soul determines the value of all the contracts you make.* They are as good as you or as bad as you. Church attendance will help you prove yourself worthy of the confidence of both man and God. Attend every worship service.

**Depicts Race Between LBJ and Nixon**

By RELMAN MORIN  
AP Special Correspondent  
LEBANON, N.H. (AP) — With Gov. George Romney out of the New Hampshire presidential primary, Richard M. Nixon is endeavoring to depict the election as a contest between himself and President Johnson.

Nixon closed a speech to a large audience in Lebanon by saying:

"Go forth from this room and show that New Hampshire says that it's time for Lyndon Johnson to go back to Texas and that as New Hampshire goes, so goes the nation."

The audience exploded with applause.

Earlier, Nixon referred indirectly to Romney's withdrawal by saying, "Your votes still matter." He told the crowd, "The voters of the nation will be looking to New Hampshire, and the size of the vote on the Republican side will be measured against the size of the vote on the Democratic side."

Nixon told a reporter after the speech, "To a certain extent, considering the registration, the New Hampshire primary can be considered an approval or disapproval of the Johnson administration."

Official 1966 New Hampshire registration figures showed 145,694 Republicans; 122,422 Independents, and 87,490 Democrats.

The former vice president has said several times that he believes a "new coalition" is forming across the United States in which Democrats and Independents are joining Republicans.

Nixon returned to the theme of a Nixon-Johnson contest in an interview with a radio station in nearby Hanover, the site of Dartmouth College. He reminded the station's listeners that he carried New Hampshire in 1960 and that Johnson won the state in 1964. Then he said:

"In 1968, it will be very interesting to see whether Nixon or Johnson gets the bigger vote, Johnson running against Sen. (Eugene) McCarthy, who will not, I think, make too significant a showing. And my running against Gov. (Nelson) Rockefeller, assuming his write-in does materialize."

A group of Rockefeller's supporters have banded together to get the New York governor a write-in vote in the March 12 primary in New Hampshire. Nixon has estimated that it may amount to 20 to 25 per cent of the total GOP vote in the presidential preference state of the ballot.

Nixon said he is not "issuing a challenge" to Rockefeller to oppose him in the six presidential primaries he already has entered. But all the indications are that he would prefer to have an opponent in these contests. His objective is to prove that he can win in November, to destroy the "loser image" stemming from his defeats for the presidency in 1960.
